Program for April 5th

Because of the goings on with regard to the meeting location we were concerned about scheduling a guest speaker. We will have an interesting program, but arrangements are still underway at the time of publication of the newsletter.

We do, however, have a GREAT speaker lined up for the May meeting.

President's Waves

Our speaker for last month's meeting was Linda Ianniello. She fascinated and thrilled us with pictures of some of the smallest yet most amazing sea life. The title of her presentation was "Images from Indonesia". The images were captured by Linda and 3 other members of the South Florida Underwater Photography Society in multiple locations in Indonesia. Thank you to Linda and SFUPS. We are honored to have talent such as Linda among our membership here in the Under Sea Adventurers Dive Club.

Our first dive of the "season" is fast approaching and will mark the end of lobster season. March 31st we are scheduled to dive with The Starfish Enterprise and Captain Craig and Dive Master Linda. It should be a great time. We have two dives planned, both drift dives, perfect for sight seeing, photography or lobstering. This is the last day of lobster season.

April 14th will be our next local dive with The Diversity. Spots are filling up fast. For details on this dive see Local Diving in this newsletter. If you have not signed up you can check with Larry Baum, our VP of Local Diving, don't miss out.

March 29th through April 1st is the Dania Marine Flea Market. This event has grown over the last many years and is now held at Dolphin Stadium. This is the 29th year of this annual event. For more information go to <http://www.thedaniamarinefleamarket.com/>

Another annual event OceanFest will be held April 20-22nd with exhibits, seminars, a treasure hunt, raffles, live entertainment, food vendors and more. The website for details on

OceanFest is: <http://oceanfest.com/>

Our meetings are the first Thursday of each month. Our next meeting will be Thursday April 5th at the Emma Lou Olson Pompano Beach Civic Center, 1801 NE 6th Street in Pompano Beach. Social is at 7:00 p.m., meeting starts at 7:30. To get to the Pompano Beach Civic Center you turn west at Jet's Pizza (just north of Atlantic Blvd. on Federal -- on the NW corner of Federal and 6th St.) and drive down a couple blocks. The Civic Center is on the North Side of the street and parking is available on the east and west sides of the building.

Join us before the meeting at Pat's Place Sports Bar and Restaurant, 635 East Atlantic Blvd, Pompano Beach around 6 PM. Pat's Place is one mile east of I-95 (1/2 mile east of Dixie Hwy) on Atlantic Blvd on the north side of the street. Thursday night's special at Pat's Place is 35 cent Chicken Wings. There is a great inexpensive menu and their Happy Hour runs until 7 PM (it's time to go to the meeting then anyway :) I talked to the owner, Jack, and they are looking forward to seeing us.

Looking forward to seeing you,

Diversity
7:30 AM Show, 8:00 AM Go

And, if you ever doubted I'm the laziest VP of Local Dives the Club's ever had, here's proof. I've scheduled our April dive for Saturday, April 14 with the Diversity (Capt Tony is booked the following week and I'll be away the last Saturday in April).

And why am I lazy? Well, all I've done is paste the information about the Diversity into this page from our dive in August of 2005. (And if I was really smart I'd book the Diversity dive in August of this year and wouldn't even have to change the date to April).

\$47 per diver includes the two tank dive and goodies for the divers. Note that it does not include tips. Air is \$10 per bottle. Boat sails at 8:00am so we'll load at 7:30am. As always, Tony is mega flexible on where we go so please let me know where you'd like to dive (or we can tell him once on board).

Feel free to look at their wreck site, <http://www.thediversity.com/wrecks.htm>, and reef site, <http://www.thediversity.com/reefs.htm>, and let me know if you have a preference.

They're right in the heart of Boca and easy to get to (just one more site, honest) <http://www.thediversity.com/images/divmap.jpg>.

And, one last attraction, "Also, for your convenience, you park right next to the Diversity, not blocks away. It is only a 15 foot walk to the boat and its free!"

With only a 15 diver capacity this one looks to sell out. Please send me a note (and a check) if you're interested.

USA's Overseas Diving

Most of our trips for 2007 are full or close to full. Please see the details below. For some of our trips we do still have an option to add additional divers, contingent on boat, hotel and airfare availability. The earlier you try the more likely you are to succeed. We are now into the normal payment period. Please keep up with your payments. Please be aware of the new passport rules for international travel and check your passport expiration date. You should have received your trip confirmation before the February meeting. If you are considering trip insurance, please investigate carefully and make sure that the policy you sign up for really meets your needs. Also note that each policy has a different timing requirement from the date of signup. A good link is: [INSURANCE](#).

BVI:

June 16-23

The trip full. 13 people going. The "overflow hotel" next door still has room - guests staying next door are welcome to come and use the facilities at Tamarind. Please contact Ronnie as soon as possible.

St. Vincent:

July 21-29

So far, 8 people going. We will take more signups as long as we can get hotel room and airfare. Please contact Linda I as soon as possible.

Dry Tortugas:

August 16-19

1-3 spots open. Please contact Ronnie.

Red Sea:

8 people signed up so far. 2 or more spots open (for fast signup). Please see the updated trip description. The choice of the "Deep South" Red Sea as one of the world's prime dive destinations is supported both by the Lonely Planet dive guide and the January issue of Undercurrent (see that at this months meeting). Please contact Nils for signups or if you want to be added to the mailing list.
