President's Waves

Last month Dr. Donna Blythe was our speaker. She educated us, with much wit intertwined, on Ciguatera and other Seafood borne illnesses. She was a delightful speaker and was a delight to spend time with before the meeting at Pat's Place.

Our first overseas dive trip of 2007 is now a part of history and hopefully pictures will be heading to the scrapbook and here to the newsletter and the web-site. So, for those of you that went on this trip.....don't forget to share your pictures with Carol Shurtz and Bob Weybrecht. The group went to BVI, Tortola and they have come back with promises of doing it again, raving about the warm, clear, waters. For news on upcoming overseas trips see

Overseas Diving elsewhere in this newsletter and Dive Trips on the website.

We had a sold out local dive with Starfish Enterprise in Lantana on June 9th and by the time you read this The Full Moon Dive, night dive, with South Florida Dive Headquarters will be a memory for 15 USA members and guests. For our latest local dive report see Local Dives on the website. For more information on local diving and how to sign up for dives see Local Diving elsewhere in this newsletter. In July we will be trying a new for us operation that may be familiar to many of you already; Dixie Divers on the vessel Lady Go Diver. As Larry Baum says "sign up early and often".

Our meetings are the first Thursday of each month. Our next meeting will be Thursday July 5th at the Emma Lou Olson Pompano Beach Civic Center, 1801 NE 6th Street in Pompano Beach. Social is at 7:00 PM, meeting starts at 7:30 PM. To get to the Pompano Beach Civic Center you turn west at Jet's Pizza (just north of Atlantic Blvd. on Federal -- on the NW corner of Federal and 6th St.) and drive down a couple blocks. The Civic Center is on the North Side of the street and parking is available on the east and west sides of the building.

Join us before the meeting at Pat's Place Sports Bar and Restaurant, 635 East Atlantic Blvd, Pompano Beach around 6 PM. Pat's Place is one mile east of I-95 (1/2 mile east of Dixie Hwy) on Atlantic Blvd on the north side of the street. Thursday night's special at Pat's Place is 35 cent Chicken Wings. There is a great inexpensive menu and their Happy Hour runs until 7 PM (it's time to go to the meeting then anyway) They will be looking forward to seeing us.

I hope everyone has a safe and happy 4th of July.

I am looking forward to seeing you at the next meeting or on a future dive.

Lady Go Diver
Deerfield Beach
8:00 AM Show, 8:30 AM Go

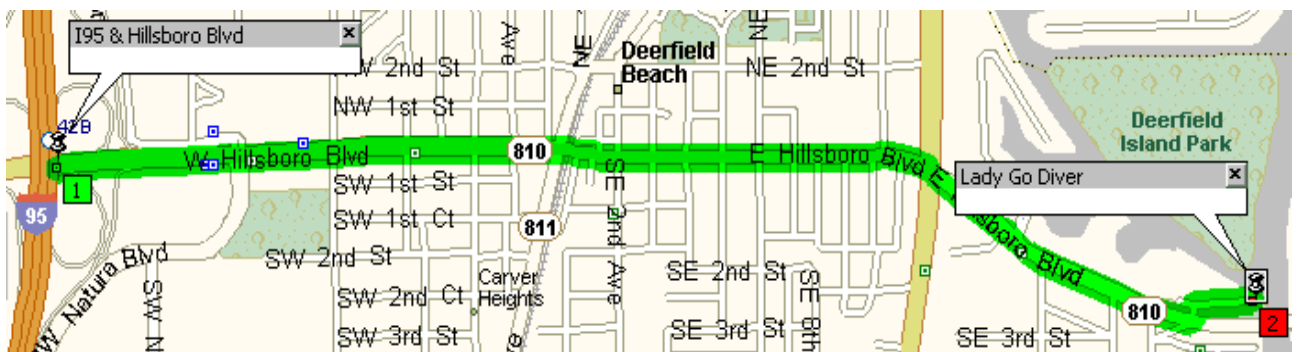

The 48' "Lady" (and I know that many of you have dove with her before) is wide, roomy, and stable. Fresh water showers, camera table, a sparkling, clean head, and roomy dive platform are some of her many charms. Docked in Deerfield Beach (off Hillsboro Blvd), she dives the North and Central County reefs and wrecks and can carry 26 passengers comfortably.

Cost is currently TBD, as we've chartered the whole boat. If we fill all 26 spots, it will be approximately \$30 per person!!!! At the moment, there are at least 20 people signed up. But there's room for more!!

Directions to the boat:

Take Hillsboro blvd east toward the beaches, after crossing Federal hwy you will come to a traffic light just before the drawbridge that goes over the intra-coastal waterway. Take that left and then an immediate right on Riverview Rd, take a right and follow the road east to the waters edge you will see the boat on your left hand side where the road ends. Drop your gear at the grass area on the right side of the side walk and park car in the paved section of the parking lot on the east side of road just 100 yards away on side of the restrooms and shuffle board area. Note that this is by the Deerfield Beach Chamber of Commerce, across from the Cove Shopping Center.

USA's Overseas Diving

Most of our trips for 2007 are full or close to full. Please see the details below. For some of our trips we do still have an option to add additional divers, contingent on boat, hotel and airfare availability. The earlier you try the more likely you are to succeed. We are now into the normal payment period. Please keep up with your payments. Please be aware of the new passport rules for international travel and check your passport expiration date. You should have received your trip confirmation before the February meeting. If you are considering trip insurance, please investigate carefully and make sure that the policy you sign up for really meets your needs. Also note that each policy has a different timing requirement from the date of signup. A good link is: [INSURANCE](#).

We've also just listed two Overseas Trips for next year. In March of 2008 we will be diving the **Utila Agressor** in the Bay Islands, Honduras. And in May we will have a combined liveboard and land trip to **Fiji**. See the information below and follow the links for complete details.

BVI:

June 16-23
Trip Completed.

St. Vincent:

July 21-29
10 people going. We will take more signups as long as we can get hotel room and airfare. Please contact Linda I as soon as possible.

Dry Tortugas:

August 16-19
1-3 spots open. Please contact Ronnie.

Red Sea:

14 people signed up so far. More spots open (for fast signup). Please see the updated trip description. The choice of the "Deep South" Red Sea as one of the world's prime dive destinations is supported both by the Lonely Planet dive guide and the January issue of Undercurrent (see that at this months meeting). Please contact Nils for signups or if you want to be added to the mailing list.
